NEW EXHIBIT OPENS "Presidential Campaigns in 3D" is the title of the current exhibit in the Museum gallery. This loan exhibit features a wide variety of interesting campaign memorabilia such as Nixon toilet paper, a Goldwater doormat, and a Bryant serving tray. This is an excellent opportunity to see campaign items from the past during this election year.

AND Free to the first 400 visitors to the exhibit either an "Ike and Dick" button or a "Goldwater Dollar". These are original campaign items and highly collectable. Visit and get one FREE!

CHRISTMAS CANDLELIGHT TOUR December 2. The traditional candlelight tour with live music is scheduled for December 2 from 4 to 8 p.m. The Museum will be beautifully decorated by local garden clubs. The magic of the Christmas season starts at Renfrew! Admission is free for this special event. All are WELCOME!

THE KITCHEN If you haven't visited the Museum this year, then you haven't seen the new kitchen installation. The staff spent two years researching early 19th century kitchens and assembling the objects. We are pleased with the results! Come out to Renfrew for a taste of early America.

THANKS To Donald S. Jones who worked at the Museum all summer. Donald was a friendly, eager worker always ready to pitch in and help with any task. We wish him luck and success at Keystone Junior College as he begins his studies for a career in hotel management.

SUMMER ENDS And soon fall will begin in Renfrew Park. Plan to spend a leisurely afternoon strolling through our big, 107 acre park. The Park and public restrooms are open sunup to sundown seven days a week.

MUSEUM HOURS The Museum is open Thursday, Saturday, and Sunday from 1-4 p.m. and at other times by appointment.
